CORE CAPABILITIES

- **Strategic Sourcing and Vendor Management** Supplier selection, capacity planning, and negotiated commercial terms to meet price, quality, and lead-time targets.
- **Product Development and R&D** Fabric sourcing, lab-dips, tech-packs, prototyping, and fit approvals - from concept to production.
- **Quality Assurance and Compliance** On-site inspections, pre-shipment QC, and social compliance audits to protect brand reputation.
- **Sustainable Sourcing and Traceability** Certified fibres, traceability workflows, and low-impact finishing options.
- **Commercial Costing and Margin Modelling** Transparent cost build-ups, MOQ strategies, and margin scenarios aligned to your business needs.

OUR SIX-STEP APPROACH

1. **Brief and Commercial Alignment**
   Define cost, quality and delivery goals.
2. **Targeted Vendor Selection and Costing**
   Match factories to product and volume.
3. **Fabric and Trim R&D**
   Lab-dips, swatches, and validation.
4. **Sampling and Approvals**
   Fit, tech-pack sign-off, and QC checkpoints.
5. **Production Oversight**
   In-line checks and pre-shipment inspections.
6. **Consolidation and Delivery**
   Freight planning, customs, on-time fulfilment.
